INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.56, enclosed is a list of forty two (42) references for the Examiner's review and consideration. These references are listed on the enclosed Form PTO-1449 entitled "List of References Cited by Applicant." These references (A01-C22) are listed in reverse-chronological or alphabetical order. Copies of these references are not enclosed as the copies were submitted in connection with U.S. Application No. 09/527,442, filed March 17, 2000, which is the parent of this application, or cited by the Examiner in the parent application. Copies will be provided, however, upon the Examiner's request.

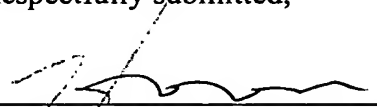

Identification of the foregoing references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited."

Applicants respectfully request that the Examiner review the references and make them of record by completing and returning the enclosed List of References.

No fee is believed to be due for the submission of this statement since it is being made prior to a first Office Action on the merits in the above case. If any fees are required, however, please charge such fees to Pennie & Edmonds LLP's Deposit Account No. 16-1150.

Respectfully submitted,

Date November 25, 2003
